Qualtrics 101

Learn to use Qualtrics for developing surveys

Tuesday, November 1, 2016 - 2 PM - 3 PM
Engineering 102

The Division of Student Affairs, in collaboration with the Division of Information Technology, will be hosting a Qualtrics 101 Seminar on Tuesday, November 1, 2016 from 2:00-3:00pm in ENGR 102. Student Affairs staff who participate in this seminar will be able to build new surveys, utilize the survey library, label variables appropriately, integrate skip/branch logic, and utilize the data analytics tools within Qualtrics. This seminar is ideal for individuals who are new to Qualtrics or responsible for conducting assessment activities within the various Student Affairs departments. For more information, visit the Qualtrics website. If you have any questions, please contact Brittni Brown at bbrown@umbc.edu or at 410-455-3204. Seating is limited to the first 25 registrants.

Now it's Your Turn!

1. What additional information would be valuable to you and your unit to assist you in helping our students to stay and graduate?
2. How might you and your unit impact retention and graduation at UMBC?
